

# HAPPY NEW YEAR 2015

WINTER NEWSLETTER

## FAREWELL 2014! HELLO 2015!

What an exciting and productive year it has been!

We will look back on the past 12 months with fondness and a hint of nostalgia. What started out as a God-inspired vision, scribbled on a piece of paper a couple of years ago, Trinity Outreach of Tampa Bay is now a full-fledged operation which has experienced its fair share of growing pains!

**Pam Bos, an outstanding volunteer, brings beauty to daily life at Trinity House**

These challenges were overcome thanks to the organizations that took a leap of faith and agreed to partner with us. Also, we could not operate without our valued volunteers who so generously give of their time and talents!

We could not have achieved as much as we did without the financial support of businesses and private donors! To them we are forever indebted!

The official Grand Opening of Trinity House in June 2014 was an important and emotional milestone in our history, and we could not have been more amazed of what we accomplished collectively, each in our own way but with a common goal: to be of service to God, the ultimate Provider. Indeed, "Unless the Lord builds the house, its builders labor in vain. Unless the Lord watches over the city, the watchmen stand guard in vain" (Ps. 127:1). What would we be without Him?

We look forward to your continued support throughout this year. Our needs are many, and any ways you can assist would be welcomed.

**Blessings to you in 2015!**

We would like to acknowledge our dear sister in Christ and one of our first volunteers, Beverly Peacock!

Beverly has that beautiful spirit that is always eager to lend, and she carries in her gentle heart such a deep love for the Lord. Though battling illness, she is still a blessed prayer partner, and we miss her cheery smile at our project days. Beverly, we love you and thank you for all your work to help this mission come off the ground!

This year we launched three of our projected six educational programs for Dade City and Zephyrhills which are being held at Trinity House until the Educational Center is completed.

These same programs are also running in New Port Richey to produce some strong growing synergy in Pasco County!

As we look forward to the year ahead, we are pleased to announce that with already pledged donations from loyal corporate donors at HPEV, Inc., Trinity Outreach of Tampa Bay has acquired a property directly opposite the Trinity House.

The building, when fully restored, will provide us with a place to hold additional educational classes, recovery group meetings and upcoming classes, in partnership with the Department of Corrections.

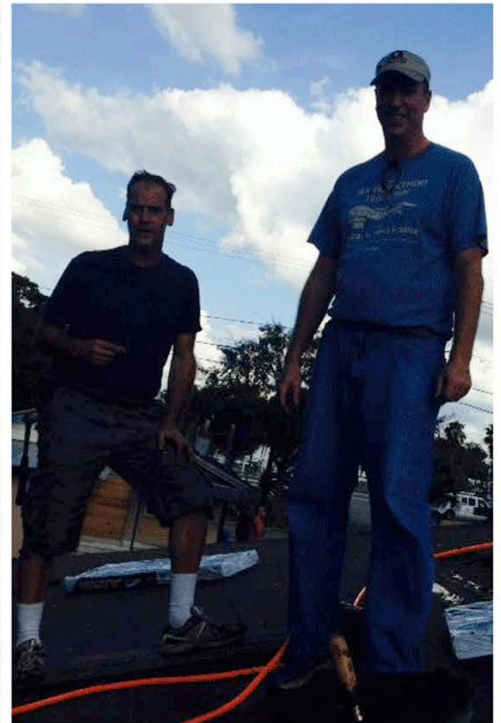

A special thank you to our benevolent crew for their time and hard work!

Our recollections of 2014 would not be complete without a mention of our first Unity in the Faith Community Worship Night held on November 1<sup>st</sup>, 2014.

Our heartfelt thanks go to all who honored us with their presence and donations.

We couldn't have done it without the help of our fabulous volunteers. Great job, guys!

A few words of appreciation to Suzanne Roberts and Boyd Burchfield for their photography and videography expertise: We would have been so stressed out without your help!

Last, but not least, a special shout-out to our partners and sponsors. May your organizations be truly blessed for your kindness!

**“YES”** is a common 3-letter word that we at Trinity love to hear. To date, our organization has been totally dependent on private donations and volunteers! Asking people for resources is a struggle in itself, definitely not a task we enjoy, but every affirmative response brings us so much relief and joy to fund kingdom work!

We are grateful for all the yeses that have come our way, and in this edition we want to recognize three corporate donors and their representatives who heard our pleas and revealed their good-heartedness by supplying us with the material we needed for our Recovery and Educational Center in Zephyrhills.

**May God bless you!**

Trinity Outreach is blessed to have some outstanding supporters!

One of them is **Jesse Brown** who deserves a special recognition for what he does behind the scene to promote our organization!

Jesse has helped us build relationships with The Millennium Sertoma Club of Lutz, Lake Magdalene United Methodist Church, and United Insurance. Jesse is currently Sertoma's SEC Membership & Club Development Director, a board member of Sertoma Youth Ranch and Tampa East Club, and Chairman of the CFD District Sponsorship Fund.

Some of you may know him as Emma & JD Brown's grandfather, we call him Grandpa Jesse! We love you!
